¹A pre-calculus math course may be necessary prior to taking calculus, but a pre-calculus math course is not a requirement for the B.S. in the Wildlife and Fisheries Science Concentration at UT.

²Select from: MUS 1030, 1040, or THEA 1030.

⁵Electives are chosen in conference with an advisor.

⁶For the B.S. degree, 15 semester credits (in addition to ECON 2010) must comply with the 2004 UTK General Education Requirements and must be completed in the areas listed below (NOTE: one course must be a 'writing emphasis' course); non-UTK courses may be used if they satisfy the 2004 UTK GenEd requirement: Arts and Humanities - 6 hours, Cultures and Civilizations - 6 hours, and Social Science - 3 hours.
