This program leads to an Associate of Arts degree from Chattanooga State and a Bachelor of Science in Business Administration with a major in Accounting from the University of Tennessee.

Students may progress into a major in the College of Business Administration on the basis of the availability of space in the college. While the minimum cumulative grade point average is subject to change, the minimum required in this prescribed curriculum for 2006-2007 is 3.0 in the following pre-core business classes: Business 114-115, Business Administration 201, Economics 211-212, Mathematics 1510, Mathematics 1910-1920, and Written Communications.

NOTE: Students must complete Business Administration 201 and either English 255 or 295 for Written Communications at the University of Tennessee before they can be admitted to the major.

*In the Spring of their third year, students normally make the decision whether to enter the job market upon graduation or apply to the Master of Accountancy program. Students planning to enter the MAcc program should take Acc 414 or Acc 431 for Information Management 442 in the Information Management collateral; for Logistics 421 in the Logistics collateral; for Finance 455 in the Finance collateral; and for Management 471 in the International Business collateral. Accounting 414 and 431 are both prerequisites to the MAcc program.
