*MAcc Option--In the Spring of the third year, students normally make the decision whether to enter the job market upon graduation or apply to the Master of Accountancy (MAcc) program. ACCT 414 and ACCT 431 are both prerequisites to the MAcc program; therefore, students planning to enter the MAcc program should take both ACCT 414 and ACCT 431 instead of FINC 455 in the finance collateral, instead of INMT 442 or INMT 443 in the information management collateral, instead of SCM 411, SCM 412, SCM 413, or SCM 421 in the supply chain management collateral, and instead of three of the required nine hours in the international business collateral. Students admitted to Global Leadership Scholars who plan to enter the MAcc program should take both ACCT 414 and ACCT 431 and will still need to take the required nine hours in the international business collateral.

⁶Select nine hours from one area: Business Analytics - BAS 320, BAS 474, and INMT 342*; Finance - FINC 425, FINC 455*, and one of FINC 435, 445, 463, 475, or 485; Information Management - INMT 342, INMT 442*, INMT 443; Supply Chain Management - SCM 311 and 312, and one of SCM 411, 412, 413, 421 or 422*; International Business - Select three from IB 409, IB 429, IB 439, IB 449, IB 459, IB 492, BUAD 400, or MGT 472 and IB 489⁸

⁷Students lacking placement into the same foreign language via the placement test (when applicable) or prerequisite sequence courses, will take the prerequisite to this sequence: one year of elementary foreign language.

⁸Students pursuing the International Business Collateral/Dual Concentration will be required to complete a study abroad experience approved by the Haslam College of Business Undergraduate Programs Office and represented by enrollment in IB 489 (0 Hours). IB 489 credit can be earned any term prior to graduation.

⁹Select four courses from IB 409, IB 429, IB 439, IB 449, IB 459, IB 492; BUAD 400 or MGT 472

NOTE: Only in exceptional cases will applications for transfer students be considered after 75 hours of coursework have been attempted.

Transfer Transition Guides

These guides, unless otherwise stated, provide an eight-semester plan for earning an associate degree at Pellissippi State Community College and a baccalaureate degree at the University of Tennessee, Knoxville. When students enter UT Knoxville, they must meet the standards and follow the procedures outlined in the University's current Undergraduate Catalog.

1. Student transferring to UT Knoxville from two-year institutions must complete 60 semester hours at a senior institution.
2. The final 30 semester hours must be completed in residence at UT Knoxville.
3. Transfer students will have their progress tracked with uTrack – a tool that identifies milestones that are designed to keep students on track for timely graduation. For the 2016-2017 Transfer Transition Guides, milestone courses are indicated in **red**. Transfer students and counselors should review the UT Knoxville catalog (<http://catalog.utk.edu/>) for question concerning milestone completion for specific majors.
4. Students whose native language is **not** English may complete the foreign language requirement found in many transition guides by completing the English Composition requirement and any two-course literature sequence.
5. Grades earned at other colleges and universities are used only for admission, course placement, and other academic decisions at UT Knoxville. Although grades earned at other colleges and universities are not included in the UT Knoxville GPA, many UT Knoxville programs require a grade of "C" or higher in certain courses – including freshman composition.
